Dalat, with her special soil, latitude, and frostless winters, is the certified best coffee region of Vietnam.

At émai, we are trained under one of Vietnam's best coffee experts, and our coffees are made with some of the world's best farm-to-cup beans, brought to Vietnam by the French. Our teas, too, are handpicked from some of Vietnam's finest.

Our drinks go perfectly with our selection of charming homemade treats.

From heartwarming mulled wine panacottas to delightfully creamy passion fruit cheesecakes, have a taste of heaven with our handpicked selection of special homemade cakes and desserts.
